

GMO - Certificate

500115 Choline hydrogen tartrate suitable for use as excipient EMPROVE® exp DAB 10,FCC

The European Regulations (EC) 1829/2003 and (EC) 1830/2003 concern the labelling and traceability of genetically modified organisms (GMO) and of food and feed produced from GM organisms.

We hereby declare that the above-mentioned item is neither produced from nor consists of genetically modified organisms. Hence, to the best of our knowledge, there is no objective reason to suspect a risk associated with GMO in the product.
